Dear Parents/Carers

As we come to the end of the school year, I'd like to thank the whole school community for their support and hard work during my first year as Head of School. I wrote to you last week regarding the staff leaving us and we wish them all happiness and success.

Equally the children have worked really hard this year and each one has made progress across the curriculum. None of this would have been possible without the hard work, dedication and enthusiasm of all our staff.

On behalf of all the staff at Foxborough I would like to thank the year 6 children and parents for their hard work and support during their time here. We wish all our children the best of luck as they take the next important step in their education and move onto secondary education. We are sure they will settle in well and reach their full potential.

Don't forget to vote for our 'Up the Green Fragrant Path' project when you shop at local Tesco stores. If we get enough votes, we could secure up to £4,000 funding for the sensory garden.

Please remember that we break up at **12pm** tomorrow and there is no after school club, so please arrive to collect your child promptly.

We look forward to welcoming you back for the new academic year on **Wednesday 6th September**. Children should be on the playground ready to line up at 8.45am. Please make sure that your child comes to school in the correct uniform: Aqua Uniforms in Langley High Street will be open throughout the summer.

I will be writing to you in September to introduce the new staff and welcome you to another exciting year in the life of Foxborough Primary School and all those who are passionate about the education of the young people in it.

Finally, on behalf of the staff at the school I thank you for your continued support and pass on our best wishes for a lovely summer break!

Kind regards,

Miss N Bulpett

On Monday, parents and carers joined us for the Prize Giving Assemblies. Pupils from each year group were given awards for their work in English, Maths and for Best Progress and Best Effort.

A special thank you must go to Mrs Tatarczyk, who does such wonderful work with members of year 3 from the choir who sang at the KS2 prize giving, and year 2 who performed at the KS1 prize giving.

We are delighted with the children's work and effort and are delighted that so many parents/carers joined us to celebrate their talents and successes.

Attendance Focus

As we approach the end of term we have analysed our pupils' attendance. We want to reiterate to parents the importance of attending school every day in order that children can achieve their full potential. It is important to recognise those who have achieved excellent attendance.

We are extremely pleased to announce the names of the 22 children with 100% attendance for the entire academic year. They were presented with certificates and their gold attendance badges at the prize giving assemblies on Monday. Well done also to the children with 100% attendance during the Summer term (5th June - 14th July).
