Dear Parents/Carers,

We hope you all enjoyed a pleasant summer break and your children are refreshed and excited about the new school year.

Following our 'good' Ofsted report and very positive reports about your children's behaviour we have decided to make some amendments so that we reduce any time lost to learning in the recording process.

We have simplified our school rules and will now expect all pupils to ensure they will:

Be Ready

Be Respectful

Be Safe

We will no longer be using 'steps' as a tool to encourage positive behaviour, instead children will be issued, on the rare occasion it is necessary a Response 1, 2 or 3. We have high expectations of our children and responses will only be issued after a number of reminders have been given and children have had the opportunity to 'repair' the situation.

If a response needs to be issued they will follow this format:

- **Response 1** – Moved seated position in class with work
- **Response 2** – Moved to another classroom with work (maximum 10mins)
- **Response 3** – Moved to a member of the WLT with work (maximum 20mins)

You will receive a text if your child is issued with a response and any child issued a Response 3 will require you to have a meeting with a representative from the school to plan how we can together support your children in making the right choices going forward.

Stamps and rewards will remain the same.

King Regards
