

## **Upton Court Educational Trust – Vision**

The Upton Court Educational Trust is formed by Upton Court Grammar School and Foxborough Primary.

As a Trust, it is our mission to create a positive atmosphere and culture in which everyone in the school community can develop and excel. We are committed to excellence and personal enrichment as much as to the fulfilment of every learner's potential which will enable them to face future challenges with confidence.

Schools within the Trust will be vibrant and exciting learning communities and examples of excellent working partnerships between staff, learners and parents. Together we believe it is our job to unleash the huge potential among the students and enable all our young people to become successful and responsible citizens, resilient, resourceful and creative thinkers who are confident and happy.

Schools in the Trust will be:

... places of excellence where children can achieve full potential in their academic, creative, personal, physical, moral and spiritual development

... caring places where children and adults feel they make a contribution and are valued as individuals

... places of values where children learn respect for themselves and others

... partnerships between children, parents, staff and governors and the community as a whole.

These will be vibrant learning communities developing:

- Successful and responsible citizens
- Resilient, resourceful and creative thinkers
- Internationally minded learners
