## Pioneer Educational Trust's values: what do we stand for?

By releasing potential, Pioneer Educational Trust **transcends barriers** through **aspiration**, merit and risk. Working in **collaboration and partnership** and **investing in others**, Pioneer engenders **determination, commitment** and **responsibility** to better society through education and learning, never accepting mediocrity.

As a result of determined effort, all young people will leave school with the skills and knowledge required for higher education, high-quality apprenticeships or gainful employment.

Pioneer Educational Trust acts with **selflessness** and **integrity, openness** and **transparency**, providing **exceptional leadership** holding itself and others to account and supporting every individual to fulfil their potential.

## Pioneer Educational Trust's vision: what are we 'up to'?

In three to five years, every school within Pioneer Educational Trust will provide an outstanding education to all children and young people. An exceptional curriculum and strong pastoral systems in all schools will provide every child and young person with the opportunity to achieve academic and personal success. Barriers to learning will be eradicated.

Pioneer Educational Trust is the employer of choice as a result of its commitment to professional development for all staff, a positive and enriching working environment and outstanding leadership development opportunities. Coupled with a systematic approach to school improvement, the Trust provides high support and high challenge to all leaders enabling them to flourish and be fulfilled.

Pioneer Educational Trust is outward-facing will continue to demonstrate a commitment to both the local and educational communities.
