Dear Parents /Carers

This week we were extremely pleased to welcome back some of our Year 6 pupils. As we near the end of term and restrictions are beginning to lift, I can imagine that it is difficult to keep up the momentum of home learning. Do as much as you can, stick to a routine that works for you and try to find learning opportunities in the day to day activities you are completing as a family. Pupils are doing some lovely work in school; this week we have embraced the Carnival theme! Hopefully these beautiful examples will inspire your children to have a go at home. A reminder that all this work is available for you to complete at home by visiting the home learning section of the website.

The children in school have been busy making carnival masks. Can you guess who is behind each mask?

- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal
- Most people with coronavirus have at least 1 of these symptoms.

Hi everyone! I would like to say how much I appreciate everybody's efforts. You are little heroes staying at home and supporting the country. I am very proud of every single one of you. During this time, I would like you to think about everything that you have and be thankful. It is summer already and I hope you enjoy it by having a little walk outside, for example. Have an awesome week!
