On 8th November individual and family group pupil photographs will be taken. As usual, please make sure your child is in full school uniform and has a school jumper for the photograph.

The school will close at 1.30pm on 10th November so that parents can attend Learning Review Meetings with their child. The meetings will take place between 2pm and

Heathrow Coding Challenge Comes to Year 6!

The Heathrow Primary School Challenge invests in 50 schools in the five local boroughs of Ealing, Hillingdon, Hounslow, Slough and Spelthorne. The Challenge is linked to the curriculum and has been established to inspire the next generation to consider a career at the airport.

The challenge provides an enjoyable way for 10 and 11yr olds to develop their coding skills, apply social and personal skills and encourages team working and communications skills.

Year 6 children took part in the coding Challenge on Monday 3rd October. They worked in groups of three, and thoroughly engaged in the half day experience.

We're sure they'll find their coding skills very useful.

We're on the Web!
